

## B&T fore grip

### B&T fore grip

This simply fore grip is designed to be mounted on the NAR/Picatinny rail of the gun. The grip is hollow and can be used as a storage compartment after unscrewing the bottom lid.

Thanks to the QD mount, the grip can be dismounted from the NAR/Picatinny rail of the rifle quickly.

The grip has an NSN (1005-17-120-8347).
