

B&T brass catcher for AK47/74

B&T brass catcher for AK47/74

This brass catcher fits the AK47 as well as the AK74. Thanks to the B&T QD attachment system it can be mounted/dismounted to the NAR/Picatinny rail of the gun in a matter of seconds. The rifle needs to be equipped with a B&T handguard (BT-21428, BT-211541, BT-212090) with a lateral NAR/Picatinny rail.
